Sales and Manufacturing

Complete Fire and Pumps leads the way in Sydney and Wollongong's fire sprinkler pumpset market. We give our customers the highest level of confidence with our extended warranties on selected diesel engines.

We are Sydney's "Best Cost" supplier of high quality and high reliability pumpsets. With expert pump and driver combination selection and partnering with best brands ensures Complete Fire and Pumps delivers pumpsets which perform past most warranty periods.

Experience the difference Complete Fire and Pumps can make to your business:

- Pumpset Design
- Diesel and Electric sprinkler pumpsets (single or dual based)
- Diesel and Electric hydrant pumpsets
- Containerised pumpsets
- Residential sprinkler pumpsets
- Jacking pumpsets
- Fire Hose reel pumpsets
- Diesel Pump control, panels
- Diesel fuel tanks
- Pipework, manifolds and valving
- Fully equipped workshop, centrally localised
- Fully equipped service vehicles.

"That's Why We Are Sydney's Most Sort After Name In Fire Protection Systems"
